Andy Bradley joins Delta from Wood Mackenzie as Director of Business Development

Delta is delighted to announce that it has appointed **Andy Bradley** as its new **Director of Business Development**, a new and senior role at the company. He joins Delta from oil & gas industry consultants Wood Mackenzie, where he worked for 13 years in a variety of roles including business development, new product development and downstream consulting. In addition to his business development role at Delta, Andy will also take a leading role in building Delta's stable of subscription-based and multi-client research services.
